- Income (Figure 1 shows limits. Figure 2 shows how much money you can make and still be eligible.)

If you are elderly or disabled, you must also show your assets (belongings or savings).

Who Can Get the D.C. HealthCare Alliance?

D.C. HealthCare Alliance ("Alliance") is available for low-income adults who:

- Live in DC
- Have no other health insurance
- Cannot get Medicaid or Medicare
- Have income at or below 200% of the Federal Poverty Level (See Figure 2)
- Have belongings and savings of less than \$4,000 for one person or \$6,000 for couples or families. Some belongings are not counted, such as the house you live in. If you are not sure if you qualify, apply just in case.

You do not have to be a U.S. citizen to get the Alliance.

How to Apply for Medicaid or the Alliance:

1. **Fill out an application form.** You can get a form at any Income Maintenance Administration (IMA) center. Call 202-724-5506 to find the IMA Center that serves your area. The form is also online at <http://dhs.dc.gov> under “Public Assistance Benefits.” On page 9 of the form, there is a list of documents you must bring to show that the information you give is true.
2. **Take the form and the documents you need to an IMA Service Center.** IMA will stamp a page of the form for you to keep. This is proof that IMA got your application form.
 - If you bring all the needed documents to the Service Center, IMA will make copies and return them. The process will go faster if you have everything ready with the application.
 - If you are missing documents, IMA will give you a checklist of what you need to bring back.
 - Tell IMA if you or anyone in your family has unpaid medical bills. These *might* be paid for if you are approved.
3. **IMA has up to 45 days** to decide if you can get Medicaid or the Alliance. If they say “yes,” you will get a letter that tells you the date your health care started. This is usually the first day of the month you turned in your application.
4. **For most people, the next step is to choose a plan.** A few days after you get the letter from IMA, you will get another letter from either a health care company or from a company called “Houston Associates.” They work with DC’s Medicaid program.
 - If you get Medicaid, you will have 30 days to choose a health care plan. Until you have a plan, Medicaid will pay for doctor’s visits on a fee-for-service basis.
 - If you get the Alliance, you will be assigned to a plan, but you have the right to pick a different one if you want.

If you are in fee-for-service Medicaid, you will get a letter that explains how it works.
5. **Don’t forget to get a check-up!** It is important for both adults and children to have regular check-ups. Make sure to bring all of your health insurance cards to the appointment.
